TAKEBACK PROGRAM CONSUMER CONTACTS

8a. What Web site address do you provide to consumers for information on your takeback program?

<http://www.bose.com/productsupport>

8b. If provided, what telephone number do you provide to consumers for information on your takeback program? 800-378-8053

TAKEBACK PROGRAM INFORMATION

9. Please describe your takeback program.

Bose utilizes Authorized Service Providers (ASP), to install the Bose VideoWave® entertainment system in customers homes. These installers are acting on our behalf and will offer to transport the customers "like devices" to our collaborative waste management partner. Bose will also offer end of life removal services, also facilitated by our ASP's.

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

Customers are provided a printout at the point of sale with an 800 # to contact Bose and a website to source drop-off depots accepting Bose products. Or if purchasing online they will receive information via an email notification. The print out and the email direct customers to either call Bose support at 800-378-8053 to discuss the best location for them to drop off, or visit our website at www.bose.com/productsupport to view a list of drop off locations organized by state, address, and company name.

11. How do you provide information to consumers on how and where to return covered electronic devices?

We provide information via print in-store, via email (web and phone orders), and online at www.bose.com/productsupport, where there is a "recycling" link at the footer of the page.
